

CONFIRMATION SERVICE HOURS FORM

Name _____

One major focus of the Confirmation program is service to others. To achieve this, we are requiring each candidate to complete 30 hours of service: ten hours at home, ten at church, and ten in the community. We would be happy to provide suggestions and ideas for these services if you have trouble coming up with them. Please list your completed services below, the hours of each, and have your parents sign to attest to these services.
